“Initially the George Snow Scholarship Fund began as a memorial to one philanthropic and devoted man, but it has grown to be much more than that. It is a community asset—a family of individuals, businesses, and community service organizations sharing the belief that education is the key to a better life, a better community, and a better country.” Tim Snow, President

Our Mission

The George Snow Scholarship Fund is dedicated to helping individuals with financial need through a scholarship program for residents of Palm Beach County who are continuing their education. Our goal is to help deserving individuals within our community achieve their career goals, an objective which has the added benefit of bettering the community at large. In short, our goal is to ensure that no deserving scholar in our community will be deprived of higher education because of a shortage of funds.

About the Organization

The George Snow Scholarship Fund, a Boca Raton-based 501(c)3 Public Charity, provides educational grants to some of our areas brightest and most deserving young scholars. These scholarships are four-year commitments and are designed to bridge the gap between other financial aid and what the scholar and their families can afford. In addition, the Scholarship Fund provides support services designed to benefit their scholars. No other organization of this kind provides so much support to their scholarship recipients.

The National Scholarship Providers Association's "2015 Scholarship Provider of the Year!"

The National Scholarship Providers Association (NSPA) recognized the George Snow Scholarship Fund for outstanding scholarship practices in higher education, naming it the "2015 Scholarship Provider of the Year". This marks a significant milestone in the long history of our organization which has strived to be the best we can be. This meaningful recognition is a validation of those efforts.

Winners are chosen by a committee and exemplify innovative and effective scholarship practices that have positively impacted the ability of their scholars to access and be successful in higher education. The organization must have exceptional programs that help students to achieve their educational goals. On behalf of the GSSF, Tim Snow accepted a \$2,500.00 cash prize sponsored by Fastweb.

"I am so grateful for all the love you have shown me over the past months. Between the funding and the care package, I truly felt cared for. I love you guys so much and the words on this note will never be able to tell you."
