October 1, 2018

Dear Friends of the Fund,

With your continued support, 2017 - 2018 was a record-breaking scholarship cycle for the George Snow Scholarship Fund. This year we had over 900 applications for our scholarships and awarded more than $1.2 million in scholarships and Scholar Support Services to 147 scholars. In addition to our new awardees, we provided continued support and guidance to more than 300 Snow Scholars currently working on their degrees, including 73 scholars who graduated in 2018. We also partnered with Ann and John Wood on a scholarship program for Marjory Stoneman Douglas High School in Parkland.

This was all achieved because of your support.

What began over 36 years ago as a small grassroots organization created to honor the memory of one man, The George Snow Scholarship Fund, has grown into one of South Florida's most respected and beloved non-profit organizations.

What sets the Scholarship Fund apart from most other scholarship providers is our holistic approach to supporting our scholars. Not only do we provide our scholars with financial support for their educational expenses but perhaps more importantly our organization provides support to our scholars through many support programs which are designed to increase the graduation rates of our scholars and make them feel like family.

In short, we do for our scholars what we would all do for our own children. This is the approach that led us to being recognized in 2015 as the National Scholarship Provider of the Year.

The pages that follow give you the chance to learn more about our amazing scholars. As you read our Annual Report and see the incredible scope of the Scholarship Fund's work, keep in mind that it would not be possible without your support and passion for our organization. Each scholar’s success is your success.

Thank you for helping us help the leaders of tomorrow, today.

With Great Gratitude,

Tim Snow
Our Mission

The George Snow Scholarship Fund’s mission is to help hard working students in South Florida to graduate from college by providing financial aid and wrap-around support services. Our goal is to ensure that no student is deprived of an education because of a shortage of funds or a lack of support.

Our Model

Providing scholarship funds is easy, dedicating ourselves to helping each student to graduate from college is the focus and challenge for our staff. Beyond receiving scholarships and financial aid, these students become part of The George Snow Scholarship Fund family. They will receive our guidance and support well beyond freshman year, as they start the next phase of their lives. Everything we do is guided by the question “what would we do for our sons or daughters”. We do what we do for these students with the support of our local communities and we believe this is paid back with each student achieving their career goals and becoming productive citizens within the community.
SCHOLAR SUPPORT SERVICES

The belief that what we, as scholarship providers, offer to our scholars in the form of Scholar Support Services is just as, if not more valuable, than the financial commitment we make to them. Our Scholars become a part of our family and we do for them what we would all do for our own sons and daughters. The George Snow Scholarship Fund is nationally recognized for its creative and innovative Scholar Support Services. No other scholarship provider does as much for their scholars.

Scholar Support Services currently include:

**COLLEGE CARE PACKAGES** For students with little or no support at home, college can be a difficult and daunting journey especially in times of stress during midterm and final exams. Each Fall our Scholars receive a package filled with fresh baked brownies or cookies and other tasty treats along with a note of encouragement.

**COLLEGE PHYSICAL PROGRAM** Through a partnership with the Boca Raton Regional Hospital, our Scholars can have their college physical performed by a hospital physician. In addition, they may receive any needed vaccinations or inoculations such as meningitis and tetanus.

**COLLEGE MAKEOVERS** Thanks to the generous donation of services from Back Bay Hair Salon, Scholars can get haircuts and hair coloring prior to their first semester in college. This allows the students to enter college with a positive self-image and extra confidence.

**COLLEGE SUPPLY GIFT BAGS** Each Scholar receives a gift bag containing valuable products they can use during their first year at college including school and dorm supplies. These are quality products which are either donated to or purchased by The George Snow Scholarship Fund.

**COMPUTERS AND COLLEGE SUPPLY PROGRAM** Scholars, in addition to their financial award, have the option of choosing either a laptop computer or a cash college supply stipend. Computers are new, state of the art machines that are designed to last the Scholar their entire college career.
SCHOLAR SUPPORT SERVICES

EMERGENCY FUND Each Scholar has access to our Emergency Fund. The purpose of this Fund is to provide a resource for Snow Scholars that will help them manage unexpected and nonrecurring hardships such as sudden medical or travel expenses due to a family emergency.

GUIDANCE FROM SCHOLAR SUPPORT STAFF Scholarship Fund staff members are dedicated to helping our scholars. Our staff members are in constant contact with students and provide support and resources on an on-going basis throughout the year. Snow Scholars are given the cell phone and email address of staff and are encouraged to reach out for any reason. Staff members treat the scholars as family and do anything they can to help students through rough patches either in school or in their personal lives. Staff also monitor each student’s progress and work with students who may be falling behind.

HIGH SCHOOL TO COLLEGE: TOOLS FOR A SUCCESSFUL TRANSITION This innovative program educates our Scholars on the many challenges and changes in lifestyle and environment they will experience entering their first year of college. By the time they begin college, they are educated consumers of higher education.

MONDAY MORNING MOTIVATIONAL MESSAGE One of the most difficult things for many students is to be away from home and away from someone who will guide them and give them encouragement. With this in mind, each Monday morning, Snow Scholars are sent a message comprised of motivational quotes and stories that will set the tone for the busy week ahead and let them know that there is someone back home cheering for them.

SENIOR PORTRAITS Many of our Scholars cannot afford to have senior photos taken at their high school. Each year during the students’ interviews, we create a studio in our office and take a professional photo of them. Students receive a printed and digital copy for their own use.

SNOW FAMILY APP The Snow Family App is a comprehensive and proprietary, smart-phone based communication and information platform that is available to all Snow Scholars. The App provides students with instant access to a calendar and notifications of important dates, links to helpful articles and videos, and the ability to directly communicate with other scholars and support staff.
NON-PROFIT PARTNERSHIPS

The George Snow Scholarship Fund is extremely proud of our collaboration with other local and national non-profit organizations. These strategic partnerships expand our reach and enhance our scholarships and Scholar Support Services which magnify the benefits each of our Scholars receive.

The Cobb Foundation, Inc.
Helen Keller famously said, "Alone we can do so little; together we can do so much." This brilliant quote on teamwork, perfectly describes the burgeoning partnership between The George Snow Scholarship Fund and Best Foot Forward. Together these non-profits are bringing scholarship opportunities to the foster care system in Palm Beach County.

Best Foot Forward is a non-profit based in Boca Raton that offers programs for foster care youth to provide the opportunity for academic success. It started back in 2010 when Donna Biase and her dear friend and fellow PTA president, Debbie Ellman, organized a one-day makeover for a local shelter for abused, abandoned and neglected youth. That one day changed everything for them as they met with four young men from the shelter who had aged out of the foster care system. Donna and Debbie knew that more had to be done. Together they started Best Foot Forward because foster care youth deserve the same tools and support accessible to children in traditional homes.

"Since we've been in the South Florida community for years, we were very aware of the great things being done by the George Snow Scholarship Fund and their professional and dedicated team. This strategic partnership was simply meant to be. Our missions are so similar as both our non-profits are out to help young minds achieve great things and provide the opportunity to continue their education," said Donna Biase. "The incredible news is that we've already seen six graduations and more on the way."

But wait… there's more. Not only has Donna been an instrumental member of the George Snow Scholarship Committee for the past four years, but in 2016, Donna danced and glided her way through an incredible performance in the Boca’s Ballroom Battle. She literally put her best foot forward.

“It’s because of talented people like Donna Biase, that we can make such a difference in the futures of our less fortunate youth. Her dedication to children and young adults of the foster care program is both legendary and inspirational,” said Tim Snow. "We cherish this partnership with Best Foot Forward and look forward to our continued success for years to come."

The George Snow Scholarship Fund is very excited about our recent partnership with The Faulk Center, a nonprofit mental health agency founded 45 years ago. Based on Boca Río Road in Boca Raton, the Center provides free and low-cost mental health services to individuals of all ages throughout Palm Beach and North Broward Counties. They also serve residents at select public schools and senior centers.

This past May, the George Snow Scholarship Fund invited the Faulk Center for Counseling to present a workshop for our Scholars as a part of our High School to College: Tools for a Successful Transition Program. Faulk Center’s Dr. Amanda Weiss spoke to the group of incoming college freshman about the importance of mental health and wellness. "Dr. Amanda was so wonderful, and her speech was important and informative for our scholars to hear. She had such a calming manner about her and gave common sense advice in a constructive way with real life suggestions on how to live a mentally healthy lifestyle," said Leslie Cornwell, Vice President of Scholar Services. "She talked about ways to handle stress while in college and how to recognize the signs of anxiety and depression and seek help before symptoms spiral out of control," said Leslie.

According to Pam Perrin, the Scholarship Fund's Director of Development, Dr. Amanda’s work took on a deeper level when the Faulk Center agreed to provide free counseling to one of our students after submitting the appropriate intake and financial aid forms. "One of our current scholars came to us over the summer for advice. I immediately sensed something was not right as she was constantly crying and seemed inconsolable. I reached out to Dr. Amanda, who helped guide us through the Faulk Center’s new client evaluation process. She also guided me on ways to help our student who had been seeing a psychiatrist but was not in therapy. We are so grateful to the Faulk Center for their services and partnership," said Pam.

We are extremely grateful for everyone at the Faulk Center for the tremendous help and expertise they are offering to our scholars. This partnership with the Faulk Center is just one more example of our community working together to help our Scholars.
Scholar Spotlight: Q&A with Omarley Spence

Q. Your father walked out on your family when you were eight years old, how has that shaped your life?
A. Having idolized my father... it was a real blow to our family. He left us destitute, alone and without child support. Watching my mother struggle, working four jobs to make ends meet for her four children, was one of the hardest things for me to witness. It was her hard work that inspired me not only to want more for myself and my family, but also to want to be the best academically.

Q. Besides excelling academically, what made you want to give back to others?
A. Living through that experience has allowed me to realize that there are so many kids that share the same experience that I have, and by knowing this I was motivated to help as many people in need as I could. I would spend my Fridays devoting quality time to the kids of Henry McNeal Turner Learning Academy. In my high school I created the Student Council Program. Being a school in the heart of a low-income community, many kids that attend this school suffer from the influences of broken homes. I took the initiative to devise the student council program that allowed students, who show academic and behavioral achievements, to hold office positions and learn firsthand how to be a leader. I also created the Uniform for Kids Project, a project designed to give back to the children of my community. I was able to fund-raise over $2,000 for the donation of clothing and toys.

Q. How did you learn about the George Snow Scholarship Fund?
A. All throughout high school I realized that to achieve my desire of higher education, I would have to earn a scholarship. My oldest brother's girlfriend, now my sister-in-law was a former George Snow Scholarship winner. When she told me about the opportunity to apply, I was so excited but anxious.

Q. How did you learn about being a recipient of the Scholarship?
A. It was announced at our Senior Awards Night. I had no idea and couldn't believe they said my name. It was at that moment I realized that I was going to fulfill my dreams and attend the University of Florida. It was such a proud moment for my family.

Q. What has it been like to be a George Snow Scholarship winner?
A. It’s so much more than providing tuition and book money. It’s more like being part of another caring family. The staff at George Snow look out for you. They make sure you are thriving and help out however they can when you are in need. Everyone there truly cares about their scholarship winners and they inspire me to continue to give back to those in need.

Q. How’s it going at the University of Florida?
A. Well, I’m a fourth year Economics Major, pursuing a combined Master of Science in Management from the Hough Graduate School of Business. I was the Executive Director of the U Matter We Care Ambassadors and President of the Gators of Tomorrow Leadership Organization. I’m heavily involved with the Student Government, Dance Marathon and Reitz Scholars program. After graduation I plan to pursue a second master’s degree in Higher Education Administration as my goal is to focus on improving minority enrollment, persistence and retention in higher education. As you can see, I will not waste this opportunity that the George Snow Scholarship Fund has given me.

OMARLEY SPENCE STATS:

High School: Pompano Beach High School, Class of 2015
Hometown: Lauderhill, FL
College: University of Florida
Status: Senior
Major: Economics
GPA: 3.36
Alumni Spotlight: Q&A with Ana Gagula

Q. At age 6, your family had to escape genocide in Bosnia and fled to America. What was that like?
A. It was terribly traumatic for our family. Even though I was only six, we left behind the only culture and life I knew in Bosnia. Our family had to become refugees seeking safety from the war and ethnic tension that was taking place between the Serbs and Bosnians. During the war, our family was forced to separate as my mother was from Serbia and my father from Bosnia. I didn't see my father for four years.

Once our family was reunited, my parents made the decision to give up their college degrees and successful careers in Europe to move to the US for more opportunities for myself and my sister. With only $1,000 to our name, the Gagula's fled to America leaving behind our loved ones, careers and the place we called home.

Q. What lead to your academic excellency?
A. Once in America I saw my parents struggle, work long hours and come home exhausted every day. Those hardships and sacrifices that my parents endured fueled my drive for success in the academic field. I have always placed education as the highest priority in my life as I knew that with a great education brings opportunity. I had always loved studying mathematics and my ambition was to have a career in accounting. I was determined to graduate from college on the Dean's list and to receive a master's in accounting.

Q. What did receiving the George Snow Scholarship mean for you in 2010?
A. It meant the world. It allowed me to follow my dreams. This scholarship allowed me to receive my degree from Florida Atlantic University and then my master's at Lynn University in 2015 in International Business. I now work in the Financial Aid department of FAU. It makes me so proud to be able to change the lives of so many hard-working kids deserving of an opportunity.

Q. What would you say to other aspiring scholarship students?
A. Each person would define success differently based on his/her morals, intentions, and wants in life. To me success means reaching for your goals with every ounce of determination and drive possible, even if you don’t necessarily get to where you would ideally like to be. By setting educational and personal goals, I wish to attain this feeling of success throughout my life and they can too.

Volunteer Spotlight: Patricia Burdett

At the 2014 Boca’s Ballroom Battle there were many stars born that night. One rising star wasn’t on the dance floor… she was behind the scenes as a volunteer. Her name is Patricia Burdett and she was a first-time committee member and volunteer that night. She hasn’t stopped since.

Every event that Patricia has volunteered for becomes a better event because of her involvement. Not only is she passionate, energetic, creative, and imaginative, but a superstar team player,” said Debi Feiler, VP of Program Services for the George Snow Scholarship Fund. "At the events she is my right hand and can anticipate what is next before I even speak. We are a better organization because of Patricia’s volunteering and we thank her dearly."

Patricia’s dedication to volunteering includes being both a committee member and on-site volunteer for the Boca’s Ballroom Battle and Cowboy Ball from 2014 through 2018. "After volunteering for the first event, I got hooked. They really know how to host an event, appreciate their volunteers and raise needed funds. I truly believe that education is the most important ingredient to turn around the life of a young person,” said Patricia.

The George Snow Scholarship Fund relies heavily on their loyal volunteers for all their events. "Our robust volunteer group is incredibly devoted, and Patricia is a stand-out. She is flexible, reliable and totally fearless. Her passion is to do what it takes so everyone enjoys the event,” added Tim Snow.

What do you love about volunteering for George Snow Scholarship Fund?
Patricia: "I love the authenticity of the organization. I so admire Tim and his staff. They are truly committed to their scholars, not simply cutting them a check, but guiding them through this life changing process."

What would you say to someone thinking about volunteering for the GSSF?
Patricia: "Without a doubt it is a great place to volunteer and your hard work will be rewarded when you hear the amazing stories of our scholars. Volunteer for the right reason… because you love the organization and want to help. Best of all… it’s fun.”

What began as a memorial to one philanthropic and devoted man has become a community asset—a family of individuals, corporations, private foundations, and community service organizations who share the belief that education is the key to a better life for the young people we serve.

The Scholarship Fund is governed by a dedicated Board of Trustees who steer the organization towards a sustainable future by adopting sound, governance and financial management practices, as well as by making sure the Scholarship Fund has adequate resources to advance its mission.

Our Finance Committee works with staff to ensure our rigorous financial and administrative controls and works closely with our auditors to accurately communicate our financial positions to our stakeholders.

Our Investment Committee oversees the assets of the Snow Education Endowment and our other restricted assets to ensure that they are not placed at unreasonable risk by investing in a prudently diversified portfolio which, over time, provides for growth and income to fund scholarships each year.

Through careful management of the contributions invested in our organization we are able to maximize the funding which directly benefits each of our scholars.

The George Snow Scholarship Fund Giving Societies

Over the years, the George Snow Scholarship Fund has become a valuable resource for the deserving young people in our community. We have been able to accomplish this only through the generosity and support of many kind and generous individuals and corporations. The following giving societies serve to recognize those wonderful people who share our vision and have given so unselfishly of themselves.

The George Snow Scholarship Fund Giving Societies recognize our family of donors in three ways:

**THE FOUNDERS SOCIETY**

The most prestigious of the George Snow Scholarship Fund’s giving societies, The Founders Society celebrates and recognizes those generous donors who have made a bequest or other type of planned gift to The George Snow Scholarship Fund or have established an endowed Scholarship. Should you choose to include The George Snow Scholarship Fund in your will or other estate plans, we would be honored to know of your intentions and have you as a member of our Founders Society.

Boca Raton Airport Authority • Ken A. Day Scholarship • Estate of Agnes Bucuch • Estate of Ann Chew Rhoda Cobb • The Cobb Foundation, Inc. • Gladys L. Davis Trust • Richard Murdoch, Trustee • Timothy Eaton Patti and Arlen Fischlowitz • Torrey Green • Estate of Barbara Ann Harrison • Audrey and Robert Howell*

Kareen and Elias Janets • Limestone Creek Elementary School • Lisa and Brett McMillan Lisa and Barry Miller • Jennifer Snow and Sue Nicklaus • Marilyn Perry • Showtime Performing Arts Scholarship Kathleen and Edward Skiko • Cindy and Tim Snow • Estate of Regina Spence • The Trudeau Family

**THE LOYALTY SOCIETY**

The Loyalty Society honors our longtime donors, many who have supported the George Snow Scholarship Fund since our creation in 1982. Loyalty Society members have demonstrated their commitment to education through generous and consistent donations. The Loyalty Society honors those whose cumulative giving has reached a minimum level of $10,000.
TOGETHER, HELPING THE LEADERS OF TOMORROW, TODAY

THE SCHOLAR’S COUNCIL

The Scholar’s Council recognizes those individuals and organizations who have given in the past fiscal year to the George Snow Scholarship Fund in a substantial way. Annual giving is the life blood of the organization, it provides for the needs of the Scholarship Fund and the young people we serve. Membership in the Scholars Council can be earned by making a gift in excess of $2,000 or by contributing a substantial amount of time or talent such as sitting on our Selection Committee or Chairing a fundraising event.
